

BAYSIDE PRINTING WINS BIG AT THE LATEST GRAPHIC EXCELLENCE AWARDS

Houston, TX - May 2, 2018 | Bayside Printing was recently named the runner up for the “Best of Show” category at this year’s Graphic Excellence Awards. Bayside was selected for this honor from among printing firms in the Houston area by the Printing Industries of the Gulf Coast (PIGC) for the Taste of Texas *Perfectly Aged* Cookbook.

Bayside also took home the “Best of Division” award, which recognizes the most accomplished firm among all mid-sized print shops with 21 - 50 employees in the Gulf Coast region. Continuing the winning streak, Bayside Printing won silver in the finishing division for excellence in bindery, die-cutting, and folding, as well as earning numerous gold, silver, and honorable mention distinctions on several other print pieces from the previous year.

“It is such an honor to continually receive such great feedback on our work,” noted Rose Mary Bundscho, owner of Bayside Printing. “We are always striving to create excellence in all that we do, and these awards are a true tribute to our talented and dedicated team. It is wonderful for them to receive recognition for all of their hard work.”

The Printing Industries of the Gulf Coast, available to graphic communications firms, was established in 1918 and serves as the official representative of the graphic arts industry in the area.
