Since 2013, Ms. Bundscho and Bayside Printing has assisted the Hispanic Officer of the Year. The purpose of the Hispanic Officer of the Year Committee is to promote and elevate the professionalism of Hispanic Police Officers within the Houston Police Department: to provide and appropriate recognition function for the Hispanic Officer of the Year award recipient(s); to provide scholarship funds to Houston Police Officers for the furtherance of educational opportunities; to promote, plan and coordinate educational and social services for the benefit of the Law Enforcement Community with emphasis to the specific needs of Hispanic Police Officers.

Bayside Printing is a model of how a company can assist the community and organizations which seek to improve the lives of others. In addition to supporting the Hispanic Officer of the Year Committee, Bayside Printing is also a supporter of the Court Appointed Special Advocates (CASA) for Children. CASA trains and supports passionate adults who fight for a child's right to be safe, to be treated with dignity, and to learn and grow in the security of a loving family.

Without the assistance of Bayside Printing, HOY or CASA will be limited to the number of officers and families they could help each year. I am writing this letter to recognize Ms. Rose Mary Bundscho and Bayside Printing for their continued support to the Hispanic Officer of the Year Committee (HOY). Your support goes a long way into advancing the ideals of our committee.

Sincerely,

P. Lopez, Jr., President
Hispanic Officer of the Year, Inc.
